## II INTERNATIONAL SCIENTIFIC-PROFESSIONAL CONFERENCE

### *INITIAL EDUCATION AND PROFESSIONAL DEVELOPMENT OF PRESCHOOL TEACHERS – PARTNERSHIP IN QUALITY BUILDING*

November 9<sup>th</sup> 2018, Sremska Mitrovica, Serbia

#### INVITATION LETTER

Preschool Teacher Training and Business Informatics College of Applied Studies-Sirmium from Sremska Mitrovica, Department of Preschool Education, Faculty of Education, University of Maribor and the Department of Preschool Pedagogy, Department of Pedagogy and Andragogy, Faculty of Philosophy in Belgrade are organizing international scientific-professional conference **Initial education and professional development of preschool teachers - partnership in quality building**.

The aim of the conference is to perceive and critically examine current issues, dilemmas, difficulties and development perspectives of initial education and professional development of preschool teachers. In accordance to the conference aim, there are **five thematic areas**, among which the presentations will be classified:

- Partnership in initial education of preschool teachers  
(partnership of institutions, educational policy, researchers, practitioners, preschool institutions, preschool teacher training colleges and local municipalities)
- Quality practice of future preschool teachers through partnership  
(model-institutions, partnerships of professors who work in initial education, students and practitioners, resources providing)
- Professional development as a support to partnership relations in kindergarten
- Preschool teachers' competence do develop kindergarten programmes based on partnership with children and family
- Kindergarten culture building based on partnership and reflective practice

The conference will take place on **November 9<sup>th</sup>, 2018** at Preschool Teacher Training and Business Informatics College of Applied Studies-Sirmium in Sremska Mitrovica, 29 Zmaj Jovina and will be accredited as a form of continuing professional development of education practitioners and academics.

We invite college and faculty teachers who educate future preschool teachers and professional associates, policy makers, practitioners working in preschool institutions, as well as students of specialist, master and doctoral studies to present the results of their research and experience in the field of initial education and professional development preschool teachers.

Authors can present their works in one of the following ways: oral presentation, poster presentation and virtual presentation.
